**The Arts Council, Inc. Presents: Evenings of Intimate Jazz Series - Maria Howell & Friends**

Powerful. Riveting. Sultry. Maria Howell is the ballad of beauty and elegance. She mesmerizes her captive audience with incredible harmonies and rhythms. Howell's signature film performance as the choir soloist in the movie "The Color Purple" was quoted by one critic as being "one of the film's most stirring moments!" Her rendition of "God Is Trying to Tell You Something" was memorable for all who saw it, but the offerings of the all-grown-up Maria are truly unforgettable, eliciting more stirring moments, one after another.
